

VACANT SPACE
Suite 205: 6,509 SF

The floor plan shows a large, mostly open rectangular area. On the right side, there is a staircase labeled 'STAIR' with a diagonal line indicating the direction of travel. Below the stairs is a rectangular room, possibly a bathroom or utility room, with a door leading into the main space. On the left side, there is a small kitchen area with a sink and counter. The main space contains several small square symbols, likely representing light fixtures or vents. The walls are shown with various door swings and openings.
